## **West Woods Unified Theater Leaders earn the “Let Creativity Rule” Award**

On Friday, May 12<sup>th</sup>, West Woods Upper Elementary School’s Unified Theater Leaders were given the *Let Creativity Rule Award* at the Rockstar Awards Banquet held in Bloomfield, CT. The West Woods team members, Quincy Wilson, Ben Martin, Adam Maselek, Branaugh Morton and Sydney Bigelow, were nominated and chosen for this award out of hundreds of Unified Theater Leaders across the state. At the banquet, the students were presented with certificates and pins in honor of their work in empowering youth to lead, letting creativity rule and putting the spotlight on ability.

Under the direction of Mrs. Wondoloski and Mrs. Benson, the five students successfully produced West Woods’ third Unified Theater show. They worked collaboratively with 35 other fifth and sixth graders as artistic directors, set creators, costume designers and creative script writers to produce, *Summer Dreaming*.

The West Woods School Community is very proud of our Rockstars for leading the way across the state of Connecticut shining a spotlight on ability!
