

WEST WOODS YOUTH ENRICHMENT FLYING SQUIRREL

Every student will get a chance to test themselves on the West Woods challenge course's Flying Squirrel - a true team building experience. Students will learn team building skills as they fly 20 feet in the air above the West Woods gym in a harness. The course will be taught by Bob Marsh, a certified climbing instructor from Farmington Youth Services.

3/5 or 3/26

4:30 PM - 5:30 PM

West Woods Upper Elementary

Each session - \$15

A waiver needs to be completed in order to participate.

DISCLAIMER: As a service to the community, the Farmington Board of Education, through its Farmington Continuing Education office, offers enrichment courses through its Adult and Youth Enrichment programs.

In some cases these courses are taught by third party businesses pursuant to a contract with Farmington Continuing Education. These businesses, and their personnel who are instructors in Farmington Continuing Education enrichment courses, are not agents or employees of the Farmington Board of Education. The businesses are responsible for the enrichment course and their instructors for the Farmington Continuing Education enrichment courses.

The Farmington Board of Education's offering of an enrichment course does not constitute an endorsement by the Farmington Board of Education or its officials, agents or employees of any particular information, product, view, opinion or advice that may be presented in any enrichment course.

In addition, any person who relies or acts on the advice of any enrichment instructor does so at his or her own risk. In consideration for being allowed to enroll in an enrichment course, the registrant releases, and waives any and all claims he or she may have against, the Farmington Board of Education, Farmington Continuing Education, its officials, agents, and employees with respect to any such advice.
