Enrichment Class Proposal

Thank you for your interest in offering enrichment classes for Farmington Public Schools, Continuing Education. We offer enrichment programs for students of all ages (preschool through adult) in our schools and various off-site locations. We also administer the enrichment program for Region 10 (Burlington/Harwinton) and hold classes at Lewis Mills High School and Lake Garda Elementary School. There are three session offerings: fall, spring and limited summer. We publish a catalog for each session and offer online registration on our web site www.fpsct.org/fce.

Please complete this enrichment class proposal and return it to our office. Upon receipt and review of the proposal by the Coordinator, you will be notified by phone or email if the class has been accepted. Once the class has been accepted, you will receive a Service Agreement detailing all the class information discussed. Payment for services is either as an independent contractor (you must provide a business card or letterhead) or payroll. Payment forms and other required documents will be included with your Service Agreement.

Name: _____	Date: _____

Minimum: _____ Maximum: _____

Class Location:

- Farmington High School Lewis Mills High School (Burlington) Lake Garda (Burlington)
 East Farms Noah Wallace Union West Woods West District Other _____

Description of Materials or Textbooks Needed (supply list): Students have the option to purchase a textbook, if required, for class. The textbooks are to be purchased prior to class and students are given the ISBN number and title along with online information to obtain them at a reduced price. The textbook information is included in the description of the course and when they register online. Supply lists given to FCE prior to class start will be copied and mailed to students.

Electronic Equipment/Computer Software Needed: Most classrooms are equipped with a computer, LCD projector, VCR, DVD, TV and Internet access at Farmington High School and Lewis Mills High School. Both schools use Microsoft Office 2010. Lewis Mills High School also has a MAC computer lab.

Experience: (10-15 words) Biography which summarizes your experience/credentials as they relate to the course you are proposing to teach. Please attach a resume. We will share this information with prospective students who call and may include in our catalog publications.

Other Adult/Continuing Education programs you are are teaching or have taught and date(s):
