EAST FARMS SPRING AHEAD 5K ROAD RACE

SPONSORSHIP LEVELS

On **Sunday, April 23, 2017** the East Farms Community will be lacing up their running shoes to support education by participating in the 4th Annual **East Farms Spring Ahead 5K Road Race**.

Farmington Connecticut's East Farms Elementary School Parent/Teacher Organization (PTO) is proud to host this community wide event. The PTO hopes to inspire children and adults to develop and maintain healthy bodies and minds in the community, while having fun raising funds for the East Farms PTO.

Through participation and fundraising in our community, we are supporting our future leaders' education while providing motivation to adhere to a healthy lifestyle. Help us *Spring Ahead* by sponsoring our event.

Your sponsorship will help defray the cost of organizing the event. Funds received from sponsorships are used to purchase t-shirts for registered race participants, event timing, insurance, finishing medals, complimentary drinks snacks and post race snacks for participants and other administrative tasks. Any additional money from sponsorships will go toward the East Farms PTO's fundraising goal.

Your financial support is imperative to making this event successful. Please consider one of the following sponsorship levels.
