

PROJECT GRADUATION 2019

November 30, 2018

Dear Parents,

Plans for Project Graduation are well underway. We had a strong turnout for our first meeting in early November. Thanks to all of the willing and eager volunteers who have stepped up to manage the many committees involved in this event. Attached you will find the chairs and the descriptions to these committees. We encourage you all to find an area of interest and comfort level in one of these committees and volunteer to help. Please contact the chairperson directly if you want to help. They will be building their teams and all help is greatly appreciated.

This year we will be streamlining the fundraisers to Flamingo Flocking, Farmington Spirit wear and our BIG social event fundraiser, Comedy Night 2019 with Comedian David Reilly, is scheduled for March 1st, 2019 at Farmington Gardens. A lot of help is needed to make this a successful and enjoyable evening. If you have any interest in helping with Comedy Night, please contact Paula Mezzanotte at pvmezzanotte@comcast.net.

More information on these fundraisers will be discussed at our next meeting, **Thursday, December 6th at 7:00 pm FHS Cafeteria.**

Thank you,
