

FHS Parent Advisory Council 2016-2017

The FHS Parent Advisory Council is made up of volunteers from each class year. They meet with FHS Principal, Dr. Silva, to discuss issues at FHS and propose topics for his Parent/Principal Forums. PAC representatives also attend the Superintendent's Forums where issues and concerns that affect all the schools in Farmington are discussed. PAC volunteers coordinate the printing and sale of the FHS Student Directory, which is available during the FHS Open House. Proceeds from the directory sales pay for the printing and the end-of-year Teacher & Staff Appreciation Luncheon, which is hosted by the PAC and FHS parent volunteers. If you have an issue or concern you would like to share with us, have a topic you would like to see covered by Dr. Silva's Parent/Principal Forums, or would like to volunteer for the Teacher & Staff Appreciation Luncheon, please contact your class representative.
