Nationally Recognized as an Exemplary Middle School

Dear IAR Families,

We know that many of our Muslim students observe Ramadan, the holy month during which they must refrain from eating and drinking from sunrise to sunset. Ramadan fasting begins at sunrise on May 6 and ends on June 4. This may present challenges for some students as we will continue to be in school during this time. We want to be sure that students observing Ramadan do not become dehydrated or fatigued while in school. If your child needs any special supports during this time (such as not being in the cafeteria during his or her regular lunch period, etc.), please be sure to contact his or her school counselor. We will continue to support all students and their needs during this time.

Please do not hesitate to contact us with any questions or concerns.

Sincerely,
