

ROCKY'S REPORT

NORMS AND EXPECTATIONS

Students will become responsible as learners, understand and display “empathy” for others, manage emotions, problem solve through challenges, and understand the importance of forgiveness

Relationships and Expectations Matter. During the first few weeks of school, all Noah Wallace community members have worked together to begin to create an environment that promotes respect, trust, and understanding, and fosters communication and problem-solving. Classroom communities have participated in proactive circles and have developed classroom norms that support Noah Wallace’s ICARE Expectations.
