

# ROCKY'S REPORT

February 8, 2019

## WELCOME TO OUR FIRST GRADE CLASSES

Is it sunny, snowy, rainy, or foggy? First Graders are excited to be studying the weather. They're helping Dr. Huber determine criteria to help her decide if students can go outside for recess. Meteorologist Kaitlin McGrath from NBC-CT visited to share her knowledge about the weather. Students are well on their way to becoming weather experts! First Grade is the place to be!

Keep your face  
always  
towards the  
sunshine and  
the shadows  
will fall behind  
you.
