

## MEDICATION PICK-UP NOTIFICATION

If your child has medication stored in the nurse's office, **please plan to pick it up on the last day of school. Medication cannot be sent home with your child.**

If you are unable to pick up your child's medication on the last day of school, the office will be open from 8:00am until 3:00pm the following week and the secretary will be able to help you.

Any medication not picked up **one week** from the last day of school will be destroyed as per State of Connecticut regulations.

Thank you for your cooperation and have a healthy summer.
