Curriculum Night

**(DATE CHANGE)**

9/17/2019

PTO Meeting

## No School

9/30/2019

## Dismissals

## KINDERGARTEN

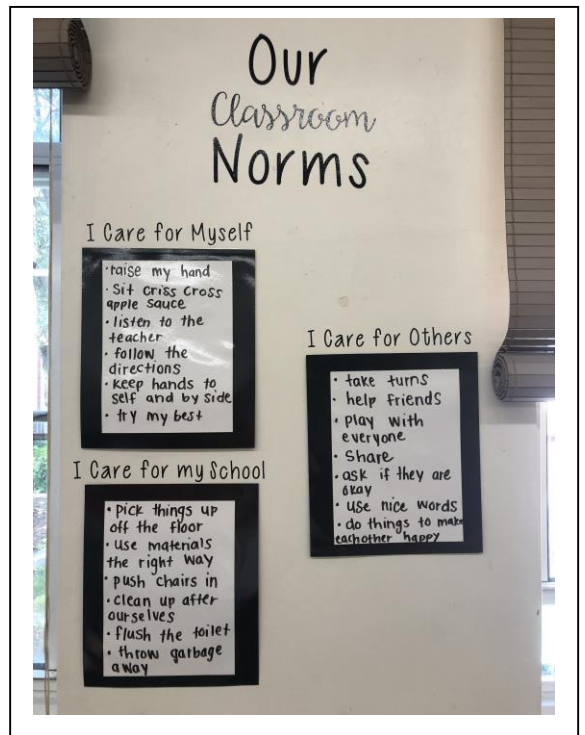

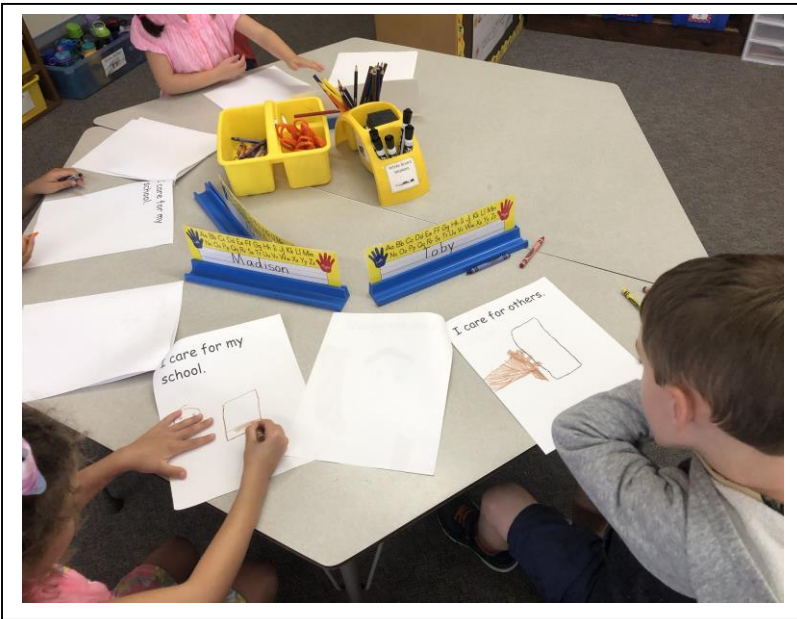

We are off to a good start in kindergarten! It has been a busy first few days with lots of time devoted to rules, setting expectations and establishing routines. We are learning how to care for ourselves, others, and our school. We are also focusing on setting up a positive classroom by building a community. To do this, we have spent a lot of time learning the names of our friends by playing name games, reading the attendance chart, and introducing ourselves during our morning greeting.
