March 10, 2020

Dear FHS Families,

We are writing to keep you abreast of the latest impact of COVID-19 on our school community with regards to winter athletics. Based on the most recent guidance at this time, the CIAC has cancelled all remaining winter tournament events. We understand how difficult this is for our athletes, coaches, students, fans, and families. School administrators, athletics department personnel, coaches and school counselors met personally with our student athletes who are participating in CIAC sponsored events this afternoon to share this disappointing news. We understand and share their disappointment and remain available to support them moving forward while celebrating their effort and representation of Farmington High School.

The safety of our students and faculty has been, and will continue to be, our first priority. We thank you for your patience and understanding as we continue to evaluate the evolving situation. While these events will challenge us, it is important to stay connected as one school, one community, one us. Thank you for your continued support of Farmington High School.

Sincerely,

Scott Hurwitz
