

Dear Parents, Guardians, and Community Members,

We would like to take the opportunity to introduce ourselves. We are M & J Bus, Inc., and we are providing your child's school transportation service. We are a local, family-owned company of over 40 years and we would like you to become a part of our family too. We feel that our very best drivers are the ones that come from the communities that we serve. We are looking for drivers in the Farmington area.

Driving a school bus is a perfect part-time job for parents with school-aged children or younger, any person looking to supplement their family's income or their existing full-time income, and for semi-retired persons who may be seeking to work a few hours each day. In this industry, we struggle to find applicants and are reaching out to members of our communities to find the very best people to drive the children of Farmington.

We offer an excellent starting pay. Other benefits include dental, life and short-term disability insurance, and a 401K plan. There is time off for school holidays, school vacations, and summer break. Often there is summer work available if you are interested. You may also be eligible to collect unemployment while laid off for school vacations and summer break. Additionally, parents with children in day care could save on these costly expenses because children are allowed to come to work with you.

We will provide you with all of the necessary training to drive the children of your community. Please contact us at (860) 674-1241 about joining our family here at M & J. We are happy to answer all of your questions and get you started on your training.
